

Making A Difference!

By holding the highest standards and consistently exceeding them, you help us achieve extraordinary results. Because of you, our district is stronger every day.

The Miamisburg City School District has an excellent staff. We want to recognize our everyday accomplishments. Please nominate a staff member who exemplifies 40 Assets by supporting the healthy development of our students or a staff member who demonstrates Best Practices. Selected staff members will be highlighted at a board meeting, on the website or in the Viking Voice. Please send all completed nomination forms to Brenda Hibberd – Memorial Building.

REASON STAFF MEMBER IS NOMINATED

This is the first year that Doris has been a bus driver for Bear Elementary School. Throughout this year I have had many interactions with her concerning concerns/issues/questions about students that ride her bus. She does not ask these questions to get into the business of the students rather she asks these questions out of concern and wanting to help kids. She is firm but is also loving and caring towards the kids that she transports every day. Over the past few weeks I have worked closely with her on thinking outside the box on how to encourage kids to be successful with following the safety rules of the bus. She has been able to give suggestions that no other bus driver in all of my career has suggested. Due to the suggestions, students are safe and are having enjoyable rides to and from school. She has also noticed students that have not been prepared for the weather. She has offered to go to the store to buy gloves or socks for students. She has the bus sing happy birthday to students on their birthday. Doris truly sees the entire child and wants what's best for the child while doing her job of providing a safe ride. Her dedication to safety and security of the students at Miamisburg City Schools should not go unnoticed.
