REASON STAFF MEMBER IS NOMINATED

Curtis Pearson has shown remarkable patience and knowledge in regards to the new projector system that was installed at the middle school. He provided training to our staff on the day before school began and explained how to best use the projector in our classrooms the very next day. At a time when the new equipment could have been overwhelming to some, he exhibited patience and the ability to prioritize what we most needed to do to use the new system. Afterwards, he was available around the building and stopped into our individual classrooms to be sure all was working and to see if we needed any additional assistance. His commitment to our building, district, and implementation of new technology makes him an excellent candidate for this honor.
